## **United Way of New York City answered COMTO NY's call which led to 3,000 Care Packages being delivered to MTA Frontline Employees!**

**United Way of New York City** (UWNYC) and their corporate partners provided **COMTO NY** with thousands of perishable goods to create **3,000 THANK YOU care packages** that were **given to the frontline employees** of the Metropolitan Transportation Authority (MTA). COMTO NY personally delivered the care packages across MTA's properties.

The **THANK YOU** care packages were tokens of appreciation to show gratitude and express heartfelt recognition of MTA's employees on the frontline during the COVID-19 pandemic. MTA frontline employees play a critical role in keeping the city and the region moving as they transport first responders, healthcare professionals and essential workers to their destination despite the risks during the crisis. Thousands of **MTA's FRONTLINE EMPLOYEES are TRUE HEROES** who continue to exhibit acts of selflessness, sacrifice and bravery during times of adversity. These Heroes exemplify unmeasured commitment to public service and strength by faithfully reporting to duty every day. The MTA frontline employees stated that they were pleased to be acknowledged and celebrated for their hard work through this simple and very kind act of appreciativeness.

NYC has been labelled the epic center during this pandemic and unfortunately, to date, more than 120 brave **MTA FRONTLINE HEROES** have lost their lives due to **COVID 19**. **We will ALWAYS HONOR their service and WE SHALL NEVER FORGET THEM!**

MTA Senior leadership joined COMTO NY representatives at all of the distribution sites. COMTO NY would like to thank the sponsors of this special initiative. That is, United Way of New York, Driscoll Foods, Starbucks and Amazon. Together, they answered our clarion call for sponsorship and the provision of support to be made on behalf of our MTA brothers and sisters. Together they made a difference in the day to day lives of so many devoted public servants during this crisis.

**About United Way of New York City**

United Way of New York City (UWNYC) works for the self-sufficiency of every low-income New Yorker by taking on the toughest challenges and creating new solutions to old problems. We win by helping families shift from barely surviving to thriving. We unite by mobilizing the best ideas, relevant data, internal and external experts, and resources—from money to manpower. UWNYC maximizes it by coordinating and aligning organizations, companies, local government, and New Yorkers to help families eliminate tough choices and live better while making ends meet.
